

Fraud

A number of frauds have been reported to the Dodge County Sheriff's Office in recent months.

These frauds have included subjects stating they are representing Reader's Digest who have requested monies be sent in order to obtain the "prize" that the person has won. The person does not receive the prize and gets contacted again to send additional monies.

E-mails and text messages have also been reported from Citibank, West Bend Savings and E-bay informing the persons to contact the number or website provided regarding their account. Once in contact you are asked to provide personal information to banking accounts or credit card information. Do not provide this information as it allows them access to your accounts.

Should you have any questions on this or any other crime, please feel free to contact the Dodge County Sheriff's Office at 920-386-3726.
